Thank you Lieutenant Martin, I'll submit this for execution (counter signature) and get a copy back to you. At that point I'll also make an introduction to the Ring manager who will schedule the onboarding and provide CVPD with ongoing training.

Really excited to have Chula Vista PD onboard. Thank you and Sgt. Giaime for your efforts.

Sgt. Giaime, Excellent news, thank you. The process for moving forward is pretty straightforward. Here is a quick overview:

After executing the MOU, we will assign a program manager to your department. Their role is to conduct a remote onboarding (training) for a few stakeholders (investigative, community facing, admin, social media). Those stakeholders will then have full access to portal from that point forward.

Approximately 30 to 45 days later, the program manager will schedule an onsite training session where others in the department (chosen by the stakeholders) will be provided access to portal. The program manager will conduct that onsite training and then will be your "go to" resource for any questions, ongoing training, etc., going forward.

Fair warning, we're running about 30 days out for the initial remote onboarding.

Hope this helps. Please call with any questions. If the MOU was approved, please sign and return and we can get CVPD scheduled.

Warning: This email originated from outside the City of Chula Vista. **Do not click on links or open attachments,** unless you recognize the sender and are expecting the message.

Sgt. Giaime, Thank you for gathering your colleagues for the webinar this morning. As a quick recap, the Ring platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is law enforcements access to our platform. Portal highlights include:

1. No Cost - Neighbors Portal is free to Law Enforcement
2. Community Engagement - LE's ability to join the conversation (about posted video or in response to posted comments).
3. Alerts - You may post Alerts which are highly relevant (proximity) to the recipient.
4. Video Request - You may request video from Ring device owners relevant to active investigations.

As you review the attached MOU, or if others will be charged with that task, please feel free to contact me at any time. My cell number is 949-690-6979. If there are changes necessary, I can assist with the business language before we submit the document to legal for final approval.

I look forward to working with you soon.

Neighbors by Ring

Memorandum of Understanding

This agreement is entered into this 1st day of May, 2019 by and between Ring LLC ("Ring") and Chula Vista Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Chula Vista ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

After executing the MOU, we will assign a program manager to your department. Their role is to conduct a remote onboarding (training) for a few stakeholders (investigative, community facing, admin, social media). Those stakeholders will then have full access to portal from that point forward.

Approximately 30 to 45 days later, the program manager will schedule an onsite training session where others in the department (chosen by the stakeholders) will be provided access to portal. The program manager will conduct that onsite training and then will be your "go to" resource for any questions, ongoing training, etc., going forward.

Fair warning, we're running about 30 days out for the initial remote onboarding.

Hope this helps. Please call with any questions. If the MOU was approved, please sign and return and we can get CVPD scheduled.

Regards, Ray

1. No Cost - Neighbors Portal is free to Law Enforcement
2. Community Engagement - LE's ability to join the conversation (about posted video or in response to posted comments).
3. Alerts - You may post Alerts which are highly relevant (proximity) to the recipient.
4. Video Request - You may request video from Ring device owners relevant to active investigations.

As you review the attached MOU, or if others will be charged with that task, please feel free to contact me at any time. My cell number is 949-690-6979. If there are changes necessary, I can assist with the business language before we submit the document to legal for final approval.

I look forward to working with you soon.

Ray
